**APPROVAL OF NON-TUITION-RELATED MISCELLANEOUS FEES FOR FY 2009**

**Action Requested:** Consider approval of the proposed changes to non-tuition-related miscellaneous fees for FY 2009 as illustrated on page 2. A complete list of all fees may be found on pages 3-6.

**Executive Summary:** The Board received a comprehensive report on the proposed changes to non-tuition-related miscellaneous fees for FY 2009 at its May 1<sup>st</sup> meeting. The proposals remain the same; no additional changes are requested.

For FY 2009:

- ◆ The University of Iowa requests approval for three new fees ranging from \$35 to \$1,000; three new R•E•A•C•H fees ranging from \$450 to \$51,000; thirteen fee increases ranging from \$1 to \$200; one fee ratification of \$75; and seven fee eliminations ranging from \$25 to \$720.
- ◆ Iowa State University requests approval for one fee increase of \$24; and two title revisions;
- ◆ The University of Northern Iowa requests twelve fee increases ranging from \$1 to \$44; and three fee eliminations ranging from \$50 to \$316.

Miscellaneous fees include both tuition-related and non-tuition-related fees:

- ◆ Tuition-related fees are presented with the Board's annual discussion of tuition and mandatory fees and include items such as continuing education courses and workshops. These fees are in lieu of tuition.
- ◆ Non-tuition-related fees are presented in the spring. Non-tuition-related fees include items such as course delivery fees and private music lessons. In each category, students pay only the miscellaneous fees that apply to them, with variances in type and amount dependent on each student's program, needs, and interests. These fees are in addition to tuition.

**Background:** Regent Policy Manual §8.04: (1) requires that the Board review and approve all new institutional or college-wide fees of over \$1 per semester and all departmental fees over \$10 per semester; and (2) encourages the three universities to work together to establish common titles and amounts for miscellaneous fees. Some differences in fee titles and amounts may remain because of the unique nature of some programs and services at each institution.

Iowa Code §262.9(18) requires the Board to take action no sooner than 30 days after notification of the proposed fee changes to presiding officers of each student government organization at each affected institution. Written notification of the proposed non-tuition-related miscellaneous fees was mailed to the student government president at each of the universities on April 25, 2008.

Iowa Administrative Code §681-1.7 requires that application fees be modified through the Iowa Administrative rules process.
