PRESENTATION ON UNIVERSITY DISABILITY SUPPORT SERVICES TREND DATA

Action Requested: Receive the presentation on university Disability Support Services data

Executive Summary:

The presentation will provide an overview of publically available Student Disability Support Services data collected by the Board of Regents. The presentation will highlight multi-year trends in:

- Percentage of all Regent students who self-identify as needing Disability Support Services
- Number of Regent students who self-identify as needing Disability Support Services
- Types of support services used by Regent students

Presenter:

Dr. Jason Pontius is Associate Chief Academic Officer for the Iowa Board of Regents.
