UNIVERSITY OF NORTHERN IOWA PRESIDENTIAL SEARCH

Actions Requested: Receive the report.

Executive Summary: As directed by the Board at its August 27 meeting, a Request for Qualifications was issued to solicit proposals from firms to assist in the search for the next President of the University of Northern Iowa. Proposals were received from 12 firms. These were reviewed by staff in the Board Office. Parker Executive Search was selected by Executive Director Donley.

At the September meeting, the Board approved the membership on the University of Northern Iowa Presidential Search and Screen Committee.

The University of Northern Presidential Search and Screen Committee held its first meeting on October 9, 2012. President Lang presented the Board's charge to the committee and introduced the co-chairs – Farzad Moussavi and Mark Oman.

Representatives of Parker Executive Search were present at the October 9 meeting and discussed the search process including advertising, possible timeline, and the evaluation of candidates by the committee.
