REPORT OF CRIME STATISTICS AT THE UNIVERSITIES
FOR THE QUARTER ENDING SEPTEMBER 30, 2009

Actions Requested: Receive the report on the crime statistics at the three universities for the quarter ending September 30, 2009.

Executive Summary: At the Board's request, it will receive quarterly reports of crime statistics compiled by the university Public Safety Departments. The reports for the quarter ending September 30, 2009, are attached.

At the April meeting, the Directors of Public Safety clarified entries on the statistical reports presented as part of the Annual Report on Campus Safety and Security. For example, the "all other" category includes a variety of criminal offenses correlating with FBI statistical reports as well as non-criminal offenses. Some of these would include criminal offenses such as Interference with Official Acts, Falsifying Driver Licenses, Harassment, Filing a False Report to a Law Enforcement Agency. Examples of non-criminal offenses included in the "all other" category would be Accidents, Disturbances, and Personal Injury.

Another clarification made at the April meeting was that an incident report involving a single individual may include multiple offenses – such as Assault, Public Intoxication and Falsifying a Driver's License. Each of these offenses would be counted in the appropriate category on the following tables. However, if there was an arrest, only one arrest would be indicated.

The Board will receive future reports according to the following schedule:

Quarter Ending	Board Meeting
